Re: Notice and Demand for Payment of Employer Withdrawal Liability

Dear Mr. Busch:

Please be advised that the New York State Teamsters Conference Pension and Retirement Fund ("Pension Fund") has determined that Eber Brothers Wine and Liquor Corp. ("Company") incurred an employer withdrawal liability under the Employee Retirement Income Security Act of 1974 (ERISA), as amended by the Multi-Employer Pension Plan Amendments Act of 1980 (MPPAA). Therefore, pursuant to Section 4219 of MPPAA, the Pension Fund hereby makes a formal demand for payment of the withdrawal liability on the Company and all members of its controlled group in accordance with the following schedule.

Based on the Presumptive Method Formula set forth in Section 4211 of MPPAA, the Pension Fund has determined that the Company owes a withdrawal liability in the amount of \$2,212,367.47. This liability may be paid in a single lump sum payment within sixty (60) days of this notice without penalty or interest. However, if a lump sum is not elected, the Company is required to pay this liability in annual payments of \$509,125.16 with each annual payment being satisfied through monthly installments in the amount of \$42,724.83 as provided in Sections 4219 (c)(1)(c)(i) and (c)(3) of MPPAA. At this rate, to pay the full liability plus interest, payments will be required for a period of 61 months with a further final payment of \$10,810.90. A copy of the calculation worksheets and payment schedule are enclosed for your review.

In accordance with Section 4219 (c)(2) of MPPAA, the Company is required to commence payment of the monthly installments no later than March 10, 2008. These monthly installments must be made notwithstanding any request for review or demand for arbitration.

Failure to begin payment of the withdrawal liability when due shall constitute a statutory default and will result in an acceleration of the withdrawal liability together with interest, costs and attorney's fees. Under Section 4219 (b)(2)(A) of MPPAA, the Company has the right within ninety (90) days after the date of this notice and demand for payment to request a review of the determination of withdrawal liability. Moreover, under Section 4221 (a)(1) of MPPAA, the Company has the right to demand arbitration to contest any determination of the Pension Fund. The Board of Trustees has approved the American Arbitration Association for resolution of withdrawal liability disputes. Any such arbitration must be initiated in the Syracuse, New York Regional Office of the American Arbitration Association within the specific statutory time limits specified in Section 4221 of MPPAA. Failure to demand arbitration within the prescribed time shall result in a forfeiture of the right to contest any determination of the Pension Fund.
